*To review and confirm the responses made to Wycombe District Council by the planning committee.*  
(Updated list sent prior to meeting)

- **S106 Agreement on Ref. No: 20/05617/OUT – Land and Kimblewick Road** – Communication from Charles Power at Buckinghamshire Council regarding the open space on this development. We have asked for a perimeter plan which will define public open space and fix building area. The public open space would be maintained by the developer but there could be a chance that we could take over maintenance for a commuted sum. This will become cleared as application moves on.
- **20/06385/PIP – Land rear of Bridge Street** – this application has been refused and the applicant has 6 months to appeal.

**6. Neighbourhood Plan: Update - Cllr James Good**

Buckinghamshire Council are currently working on making our online NP document accessible in line with new legislation, once they have re-formatted, they will let us have a copy for our websites.

**7. Kimble Stewart Hall: Update - Cllr Delia Burton**

Hall has partly re-opened for a trial in August with the Pilates Class on a Tuesday morning and Wednesday afternoon, the cleaner will clean in between each class as per government requirements. Regular hirers organisation bodies have issued them guidelines and the KSH Committee have new hirers agreement to cover Covid 19.

**8. Update on the Kimble Stewart Hall Frontage project – Cllr David Williams**

Rob Mills from UNL Studios presented and enhanced plan of the upgrade of the frontage of the hall, this built on the KSH Committee's original ideas, Rob had met with KSH Committee in July to run through the brief. The plan was favourably received and Rob will follow up with firm measurement and quantities to enable firm cost to be ascertained.

**9. B4009 Crossing Point near the Swan PH – Cllr Delia Burton**

There has been another incident and the crossing outside the Swan PH as this was discussed at some length, it was resolved that we would approach Transport for Bucks with a list of strongly recommended measures which we would wish them to consider. These included better warning signs for both pedestrians and vehicles in the vicinity of this crossing on the B4009, reducing the speed limit of the B4009, introducing a 20mph limit in Bridge Street and Church Lane and also reducing the current 50mph limit on the stretch of the A4010 which passes the end of Church Lane. As a priority we want the improved signage put up at the B4009 crossing and we will be urging Transport for Bucks to act quickly

**10. Corona Virus – General discussion and information exchange.**

General information was exchanged, noting that the Swan had reopened with shorter opening hours but was doing well especially with the Wood Fired Pizza.
