6. Kimble Stewart Hall – Update – Cllr Delia Burton

The hall still remains closed to hirers and therefore zero income, even when it is able to reopen there is likely to be an impact on income and also increased cleaning costs.

Plans are being drawn up for an upgrade of the hall frontage, these will be presented to the Parish Council once the Hall committee have been able to meet and agree.

New electric sockets have been installed in the Committee room.

7. Neighbourhood Plan: Update

*******This item was discussed at the end of the meeting after Cllr Jones left the online meeting*******

A letter had been received from Charles Power, the case officer for the 2 applications already submitted that were part of the NP selections, Site 17A and 14, regarding various issues around both applications. The NPWG had met and discussed the letter and Cllr Good had drafted a response that the Parish Council approved.

It was agreed that the Parish Council would grant the Friends of Kimble School the cost of the defibrillator as per their quote. This was initially agreed at the January 2020 meeting and we had been waiting for a firm cost.

9. The Risborough Basket – Cllr John Austin

The Chairman had been contacted by Richard Stevenson of the Risborough Basket and Community Bus, asking if there was a need for the service in the community. The Clerk will contact Julia Northway to ascertain if there is a need and if so, how we can help facilitate.
